

April 6<sup>th</sup>

To His Excellency Sir John Hawley Gordon  
K.G.C.M.G. and Council

May it please your  
Excellency and Council. We the undersigned  
inhabitants of South Side Harbor Grace, Upper  
Island Cove, and Bryants Cove, beg leave to  
approach your Excellency and to inform you  
respecting the removal of the Ferry Boat from  
her former landing place on the South Side.

That it is in all respects unfair to  
the people of the above named districts and  
dangerous in the highest degree for females  
and aged people to land at East Wharf at  
South Side, and in every way inconvenient for  
Business purposes.

And the few persons who  
has caused, in an underhand manner, her  
removal, have no other reason than their  
private ends

And your petitioners will  
forever humbly pray to  
Island Cove
